The 11th International Conference on Research in Advertising will take place at the Stockholm School of Economics (SSE), Stockholm, Sweden on June 28-30. SSE is located in the centre of Stockholm, at Sveavägen 65. The nearest metro station (T) is Rådmansgatan (green line).

We recommend staying at one of three hotels located approximately 200 meters from the school (less than 2 minutes by foot): Hotel Hellsten, Hotel Rex and Rex Petit. The three hotels are situated next to each other in the city center and offer you three different levels of accommodation. Clarion Sign is also a good alternative for persons who prefer a larger hotel. Please note that accommodations are booked directly through the hotel.

Hotel Hellsten/Hotel Rex/Rex Petit

Reservations for the three hotels are through e-mail hotel@hellsten.se or phone +46 8 661 86 00. Please state booking code when making your reservation. All rooms at the three hotels are pre-booked for ICORIA delegates and thus you will not find rooms through any booking websites. Please check their respective site for images and more information
